TRANSLATED COPY OF MEMORANDUM HANDED TO AMBASSADOR LACY BY ZAROVIN

The respective Soviet economic organizations would like to send to the United States Soviet specialists for a period of three to six months for the purpose of familiarizing themselves with industry, construction, and scientific research work in the USA. First it would be desirable to send to the USA specialists in the mining, metallurgical, oil, coal, chemical, radio-engineering, machinetool, electrical, and automobile industries, in the construction of heavy machinery and farm machinery, in instrument construction and the means of automation, as well as specialists in building construction.

The Embassy requests the Department of State to lend its co-operation in this matter.
